Introducing Health Assurance: A First-of-its-kind Guaranteed* Cash Benefit Plan

At Max Bupa, we put your health first. Which is why our policies are tailored to provide comprehensive covers for you and your family. Health Assurance, for instance, is a unique fixed benefit plan that gives you the flexibility to cover any sudden eventualities like accidents, critical illnesses and incidences of hospitalization.

This plan gives you the power to choose your own course of treatment and does not bind you to a particular hospital, room type etc. The cash payout allows you to protect your lifestyle and also helps you meet your fixed expenses. Thus, giving you complete peace of mind.

Benefits of Health Assurance

(a) Unique Flexible Combinations

Health Assurance gives you the freedom to pick and choose your own health cover from the following 7 combinations:

1. Critical Illness + Hospital Cash + Personal Accident
2. Critical Illness + Hospital Cash
3. Critical Illness + Personal Accident
4. Hospital Cash + Personal Accident
5. Critical Illness only
6. Hospital Cash only
7. Personal Accident only

*Subject to claim being admissible under policy.

(b) Easy to Buy

You can buy this policy by answering a few health and lifestyle questions without any hassle of health check-ups or medical underwriting*.

(c) Family Cover Option

You can also cover your entire family (self, spouse and two children) under the family option.

How it works

Let's take the case of Mr. Sharma. Keeping in mind his daughter's higher education, he made a 5-year, Fixed Deposit plan, worth Rs.5 lacs. In the second year, Mr. Sharma suffered a major heart attack and had to undergo a bypass surgery. To meet this uncertainty, he had to break his Fixed Deposit, unsettling his plans. If Mr. Sharma had a Health Assurance policy, the lumpsum cash payout (as per the guaranteed cash benefit) would have taken care of his surgery and given him extra cash. Thus, letting Mr. Sharma's savings remain unaffected and comprehensively reducing any financial strain caused by this medical emergency.
